The film stars Aamir Khan, Reena Roy and Paresh Rawal. The film released on 12 January 1993 and became a blockbuster hit, thus establishing the career of Aamir Khan as a successful leading actor. Plot Rudra Pratap Singh (Paresh Rawal), a wealthy businessman, falls in love with Priya (Reena Roy), a college student. Priya's father does not approve of the match because Rudra Pratap Singh is a poor man while Priya's family is well off. One day, Priya takes an overdose of sleeping pills. As she is being taken to a hospital, Rudra Pratap Singh dies. Six years later, Priya has grown up. She decides to marry Rudra Pratap Singh's older son Amar (Aamir Khan). However, Amar's family, now concerned about their son marrying a poor girl, opposes the marriage. Priya agrees to marry Amar only if the family agrees to give up the ancestral estate. They consent, and Amar and Priya are married. Priya's younger brother Bhairav (Ajay Chaudhry) suspects that Priya is having an affair with Rudra Pratap Singh and follows her to her apartment. When he is about to kill Priya and Amar, she fatally wounds him. Priya is arrested and sent to a mental hospital where she meets Dr. Harshasinh Rathod (Shakti Kapoor). Priya is still in love with Rudra Pratap Singh and remains there. Sometime later, Priya's family is ruined, and Amar divorces Priya in order to save his family's prestige. She is taken to a hospital, and it is revealed that she is pregnant. Dr. Harshasinh Rathod explains that she would not have suffered the shock of the overdose of sleeping pills if she had not been pregnant. Priya and Bhairav both meet Dr. Harshasinh Rathod and are cleared of all charges. Priya is discharged from the hospital. A few years later, Amar is living with a friend in a remote village. Priya is performing on stage and becomes famous. One day, Rudra Pratap Singh's younger son Bajirao (Virendra Saxena) visits her and sees her perform. Bajirao's wife Ganga (Aarti Chhabria) is jealous. Bajirao then gives 82157476af
